

Work Health & Safety Policy

Sure Plumbing and Civil Constructions Pty Ltd, is committed to providing safe and healthy working conditions for the prevention of work-related injury and ill health.

Our Company is dedicated to fostering a safe working environment where our people can grow and succeed. We believe that everyone has the right to return home safely each day and a duty to care for themselves and those around them. Our approach to health and safety is grounded in personal commitment and individual empowerment. To achieve this, we will embed health, safety, and welfare in our daily activities

We are committed to preventing work-related injury and ill health to our workers by enabling leadership, learning, effective critical controls, planning and managing change to achieve a successful outcome.

We are committed to achieving the following objectives:

- Identification and management of risks and the provision of a safe and healthy environment for all stakeholders.
- Maintain compliance with relevant legislation, regulations and codes of practice.
- Establish and maintain a Management System that is reliable and continually improving.
- Educate our workers to be accountable for their safety and that of their colleagues;

Our Work Health Safety objectives shall be achieved by:

- Engaging our people to seek opportunities to improve our operations actively.
- Enabling simple and effective task planning that identifies and successfully manages critical risks.
- Providing our people with adequate information, instruction, supervision and training.
- Maintaining compliance with relevant legislation, regulations and codes of practice.
- Embedding risk management practices in all processes and managing our activities to eliminate hazards or successfully manage the risk of harm to as low as reasonably practicable.
- Establishing and maintaining robust consultative and participative arrangements with workers and key stakeholders.

This policy shall be communicated throughout the Company and will be periodically reviewed.
